SB Civil Writ. Petition No.1818/2006

Date of Order: 24th July, 2006.

PRESENT

HON'BLE MR.JUSTICE BHAGWATI PRASAD

Mr.P.S.Rathore for the petitioner/s.
Mr.M.R.Singhvi }
Mr.Sajjan Singh } for the respondent/s.
Mr.B.P.Mathur }

Heard learned counsel for the parties.

The petitioner was required to give tender as owner of a factory where he has a generator and storage tank. This is not denied that the petitioner does not even have a piece of land . Since he was not having a piece of land there is no possibility of his having owned a generator and storage tank. Since the petitioner lacked the basic requirement he cannot be permitted to agitate that he has not been favoured with an allotment. There is no force in the writ petition. The same is dismissed.
